## About Us

Founded in 2017, Super Mater Plastic Furniture in the region giving plastic industry a new horizon of quality and comfort.

If we talk about what Stands Super Master at the top, we must make a mention about virgin raw materials, eco friendly nature of its products, zero maintenance and a bouquet of other features. The state of the art technology in its factory unit has helped the company to match international standards. It comprises latest moulds from Italy and Taiwan that are managed by highly qualified technical Staff.

We offer products with un-compromising quality supported by continuous improvements and innovations to meet exceeding customer's expectations.

Abdul Malik Butt  
Chief Executive
